

LAKEVIEW

SCHOOL OF NURSING
COLLEGE OF NURSING

ALUMNI NEWSLETTER

JUNE 21, 2025

President's message -

I want to use a large portion of this platform to try to touch on two issues that we get a lot of questions about.

#1 – How donations are used and #2 - endowment explanation.

#1 - To be perfectly honest, I'm still trying to understand this enough to articulate it back to you. Nancy Cunningham, Class of '65, is our person in the know. Nancy is our current Vice President and Alumni Association representative of the LCN board. She has been dealing with this for many years.

The words: donation, principal, endowment fund, base principal, investment income, spending rate policy, and perpetuity are about to occupy some real estate in your brain. Buckle up and hang on. I'm about to take your synapses for a ride!

For many years your general, scholarship and memorial donations were given to the Lakeview Alumni Association and by extension to the Lakeview College of Nursing who established an endowment fund to protect and grow your donations for perpetuating the education of future nurses.

The principal (base amount set aside to establish the endowment) is invested and remains untouched, while the investment income (earnings) is used to support the designated purpose of the endowment.

A spending rate policy established by the "corporation" (LCN) determines how much of the investment income can be used annually (typically, a designated percent), while the rest remains invested to maintain and grow the principal.

Endowments are often designed to last indefinitely (perpetuity), with the principal being kept intact while the earnings are used to support the organization's mission over time; thus building assets for future sustainability.

Did you make it this far with me? Now you have the foundation for the remaining comments.

In the past two years the alumni association has been able to donate \$8000 to the endowment fund, due to your generosity. So, the amount of interest earned was higher than past years; therefore, the amount of the scholarships went up a couple of hundred dollars this year. This amount varies from year to year according to the current interest rates, which aren't very high right now.

Just as a reminder of the criteria to receive a Lakeview Alumni Scholarship - a student must be the family member of a LVMH graduate/alumni, enrolled full time, in freshman year at LCN, grade point average of 4.0-5.0, community involvement, demonstrates leadership and is merit based. The scholarship is to be used for tuition and books. Then LCN chooses the student and sets the amount based on the information above – (we, the alumni association are not involved in the choosing process).

I hope this sheds a little "light" on a confusing subject. Now, go back and reread this a couple of times to see if the 20/40 watt understanding has brightened to at least an 80/100 watt understanding.

#2 - The other big issue the all-inclusive alumni banquet. No one wants this more than your alumni board and alumni association members – trust me on this!!!! We have been beating our heads against a brick wall for three years trying to find a way back! Every rabbit trail ends in a dead end.

The main problem – The venues require that we commit to 100 people in attendance – or we pay for the difference/balance. Remember this arrangement must be made one year in advance – we don't have commitments one year in advance! Stay with me for response statistics.

How many of you want to contribute to that bottomless fund if we don't have a good response the following year? Consider the risk of 20-30 unpaid meals (lack of registrations) at \$30-35 per meal (Beef House prices) – that's a possible \$600-\$1000 loss!!!!?! We can't just pick another \$1000 off the alumni money tree.

This year we had a wonderfully large response for the Class of '75 50-year luncheon - 21+ classmates attending, plus the alumni association board.

When I get done you will say TMI (too much information) – but you need to understand the reality.

This year we had 157 responses out of the entire history of LVMH & LCN. Do you think each and every alumni – without exception – is going to show up at our banquet next year. I don't hardly think so! (Thinking about the 100 minimum requirement for most venues.)

Let me digress with the total responses from each decade this year: 40's (2) – 50's (18) – 60's (67) – 70's (61) – 80's (5) – 90's (3) – 2000-2024, 2.5 decades (1). Full disclosure the 90's decade = actually 8 responses - 5 previous LVMH who were also BSN and 3 BSN only grads). FYI - the 90's to present statistics are the normal response for the last several years.

Now let's look forward at just the responses from the future 50-year celebrations: 1976 (2) – 1977 (3) – 1978 (2) – 1979 (3) – 1980 (0) – 1981 (2) – 1982/83/84 (1 each) 1985/86/87/88/89 (0 response each).

These numbers give you an insight into possible future class interest in 50-year celebrations. I have class rosters for '76, '77, '78 and '79. I am currently working on finding and confirming contact information for the class of '76 and will continue the other classes through the summer. It's never too early to start the process!

Here's my theory - Up until 1990 we lived in a dorm, we shared life, we built relationships / extended families. Truth be told, full class in the dorm life started falling apart by the time I graduated in 1970. Some of our class members were assigned small groups in an apartment building. Then, after the dorm was no more, students came to class straight from home each day and returned to their homes until the next class day. There was no building a "family relationship" with other students. Many students were married with families to be responsible for at home. Nursing changed from a vocation (a calling to serve) to a well-paying career path from which to springboard to a higher education and higher paying career (which isn't bad in itself). This, I feel, has a tremendous basis for the low response from 1990-2024. This is not a criticism – it's just a reality check.

Full disclosure – I was reminded that dues letters were only mailed this year to the Class of '85 and backwards to the 40's. Before anyone gets upset about that, review the statistics above. When you look at the above statistics you can imagine the cost of mailing dues letters to 1990-2024 - 34 years of students with the above response – at \$.75 per mailing. What would that be? ...34 years (1990-2024) at 15 students per year (very low-ball estimate) would be valued at 510 students x \$.75 = \$382.50 just for stamps alone for an average 4 responses.

We are open for functional ideas; maybe venues that don't require the 100-person minimum. Let us know of such places. We are trying to investigate use of electronic communication. H-E-L-P!!! In the meantime, please know that you are not alone in your frustration and we are truly trying to make the all-inclusive banquet a reality again.

For other news, please refer to "letter from president" that accompanied your dues letter. I've run out of my allotted space for this year!

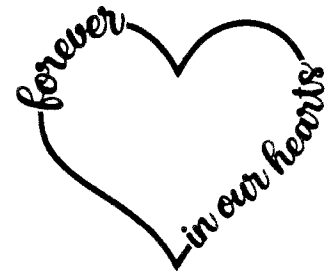

Best wishes from your Alumni Association to the Class of 2025. Remember that you are God's hands extended to those in your care. Join us at alumni meetings as scheduled below.

2025 – 2026 Lakeview Alumni Meeting Dates

Annette Parker Davis	Class of:	1997
Michelle Bierman Dillman	Class of:	2003

BEFORE I GO

When my life has reached its very end
And I take that final breath
I want to know I've left behind
Some good before my death.

I hope that my final hour
In all honesty I can say
That somewhere in my lifetime
I have brightened someone's day.

That maybe I have brought a smile
To someone else's face
And made one moment a little sweeter
While they dwelled here in this place.

With all my heart, I truly hope
To leave something here on earth
That touched another, made them smile
And gave, to my life, some worth.

Thank
you

1951 - 74 Years

Bonnie Hart Pape – 10550 Barymeadows Rd. #117, Jacksonville, FL 32256 - 904-303-8973
My husband passed away Dec 14, 2024 – Lawrence Pape

Dorris Thomas Thode - 802 E. Pinzon St, Tuscola, IL. 61953 – 217-253-4478

1952- 73 Years

Jane Royalty Millis - 316 E. 14th ST, #228, (Autumn Fields) Danville, IL. 61832, 217-474-7233
Still living at Autumn Fields. I will be 95 in July, and in good health for that age...I think.
Thanks to all of you buzzy bees who do all the work to put on this newsletter. I sure do
look forward to it, although, I seem to know fewer people.

Joann Hulse Trobaugh - ** address change – 577 E. Marten St. Apt #265, Watseka, IL. 60970
815-432-8673 home

I am now living at Heritage Woods of Watseka – assisted living. Keeping busy with
activities here and at church and time with family.

1953 – 72 years

Gloria Hopkins Sundt Ferguson – 741 Park East Blvd, Ste. 413, Lafayette, IN. 47905
765-426-6986 cell, 765-474-8081 home

Marie Constantine “Connie” Gilbreath – 1205 Saratoga Dr., Danville, IL. 61832,
con33q@aol.com, 217-260-6656 cell, 217-442-7506 home

Love my daily independence. I can still care for myself – happy to have my home and
yard. My flowers are beautiful as my son added new soil. Grateful for my two sons and
family and many friends, Congratulations to the Class of 2025. Connie Gilbreth RN –
worked 54 ½ years for 3 doctors.

1954 - 71 Years

Congratulations to the graduating class of 2025. Best memories and lots of love to my classmates 1957. My family keeps growing with much happiness. Ten grands, three great-grands (another on the way end of May). Three daughters-in-law, three grandsons-in-law! Always good to hear from classmates. My very best wishes for the continued growth and success for Lakeview College of Nursing.

Col. Betty Bonwell Paps - 1 N Beacon Place #508, La Grange, IL. 60525 –

708-280-6414 cell - bpaps@aol.com

Just returned from Florida where, for the last four months, I have played golf and bridge. I will be going to Lake Geneva, WI. for the summer where I will continue to play golf and bridge. My 8 year old twin great grand-daughters will visit me there along with their father (and mother) – my only grandchild.

Betty Boren Scharlach – 630 Woodview Dr., Tavares, FL 32778 – 352-455-7192 cell,
352-343-8261 home – BettyJScharlach@comcast.net

Just finished my last year working with the Health Department. I was mainly doing outreach, offering immunizations to the homeless and elderly. I do miss working with all my Health Dept. friends! Both sons live about an hour away, so I see them often along with the grandchildren. – ages 17-25. No babies in our family. One grandson is getting married in January.

“Hello” to all my friends! Stay healthy. Love and happiness to all!

Joyce Ann Darr – 16411 Millstone Circle #303, Fort Myers, FL 33908 – 239-281-7877 cell –

765-585-1563 cell, 765-294-2128 home – kimberlylefton@sbcglobal.net

Greetings to all. I retired in 2003 after almost 40 years. Chuck was diagnosed with lymphatic leukemia last March; completed treatment and is in remission. We praise the Lord for health! Our twins are 12 going on 13! Time goes fast! They are active in 4-H, dogs as well as archery. I do miss the banquet when we could visit and have a nice lunch. Thanks to the officers and helpers who put out the newsletter. Been able to work in the church providing cookies for coffee breaks on Wednesday once a month and sending get well cards.

Class of 1961 con't

Judith (Judy) Livengood Alder Howard - 4043 S. State Road 341, Kingman, IN. 47952, 765-397-3187 home - ms.judithelaine@gmail.com

Ron & I celebrated 31 years this past January 15th. Lost a grandson last year to a motorcycle wreck – only 27 years old!

Lois Green Roberts – 601 Summit St., Rossville IL 60963, 217-497-6731 cell

Dear classmates and alumni, Although the past two years have been rough with back problems, I'm thankful to be living in my own home. I have 10 grandchildren and six great grandchildren. I'm very blessed and grateful. Looking forward to hearing from classmates and alumni.

Nancy Mae "Charlie" Brown Miller - 4660 N. Springwater Dr, Frankfort, IN. 46041 –

1962 - 63 Years

Eleanor J. Dodson Warner – 325 E. College Ave, Brownsburg, IN 46112 – cell 317-907-4655

Lakeview Alumni, Thanks so much for all the work you do to keep the Alumni informed and "together." The memories there at LVMH go back 74 years when I was in an auto accident which left me with a fractured pelvis in 4 places. It happened the end of May, so it was a long summer in a hospital bed at home. But, I was there in the hospital for 2 weeks and I observed the nurses. They were very patient and gave me the most loving care, for which I never forgot.

So, when it came time for high school graduation and deciding what I would do with the rest of my life – I could think of nothing besides nursing. My parents had moved to Indiana by then, but I decided to come back to LVMH for my nurses training. Three wonderful years of great experiences and memories.

Part of our training included 3 months of training at Cook County in Chicago. I was scared to death to go to Chicago! But the Lord took care of us, and we experienced some unique medical situations. When I graduated in 1962, I really felt lead to return to Chicago and Cook County Hospital!!!! I applied for a promotion to the O.R.; however, when I got there, they assigned me to the 60-bed "recovery room" – which was a really large ICU with 30 beds for surgical ICU and 30 beds for medical ICU. I saw and helped care for patients in situations I would never experience anywhere else! They had a lot of Filipino nurses, and they encouraged me to go to England for their midwifery program. I would encourage any nurse who is thinking of working O.B. to go to England for that experience!!! It is a one-year program – part 1 in the hospital and part 2 in the district. (home deliveries and care). Returning to the USA, I worked in Indianapolis for the next 10 years in ICU. In 1974 I met my "husband-to-be" and moved to Bowling Green, MO which was John's hometown. I had been on 3 medical mission trips to Honduras before I met John. (The Christian Medical Society has mission trips, continuously (year-round) to a lot of countries.) John and I went on 2 more trips to Honduras with CMS before we started volunteering to go on mission trips to El Salvador and Romania. The experience I got out of these mission trips was well worth the expense of each trip (each person pays their own way). Well, I am running out of room to say more, but I would encourage each nurse to go on similar trips. When you get aback to the U.S. soil, you will realize how blessed you are to have been born here in the U.S.! And all that started at LVMH!!! Thank you LVMH for a great introduction to preparation for life in nursing!!! Sincerely,
Eleanore Dodson Warner

Wanda (Wendy) Means Lucarelli - 9709 Bianco Terrace - Apt F, Des Plaines, IL. 60016

1963 - 62 Years

My retirement ended August 2023. Mike fell going into the Westville Legion and was 24/7 care for a year. He had. A lot of damage to his body – 5 fractures in left shoulder and now has numbness in hands and weakness in left arm, also unsteady on his feet. He is better now, but he has nerve damage to the area that will be forever. Our son, Chris, is still in Chicago suburbs. He is a project manager for an international financial company, working from his condo. Jennifer has moved again, now to Atlanta, GA. She is still working as an Acting Executive Deputy Director for the Atlanta VA Healthcare System. We are very proud of our children.

Myrtle Eleanor (Mert) Wiatt Pitcock - 1581 Delegates Row, Crawfordsville, IN. 47933 – 765-365-5087 home

Expecting 2 more great grandchildren this year. Enjoying the 6 great grandsons and 1 great granddaughter – all are 3 and under. Such a wonderful blessing!

Nancy Koss Shank – 1314 NE Cypress St. Live Oak, IL. 32064

Nancy Landsdown Cunningham - 26883 Shake Rag Rd, Danville, IL. 61834 –217-497-7643

Thank you all for your generosity to our scholarship program. We were given a great opportunity to become accomplished nurses and have a fulfilling career. It is good that we can pass on this opportunity to others. There is a solid core of alumni members who keep the group going. Through no fault of our own, we are aging. Keeping the organization going is a challenge! Details will follow.

Norris Schlueter - 1883 Country Rd. 2500 E. St. Joseph, IL. 61873, 217-369-1973 cell

Hello to my classmates of 1965! Hard to believe it has been 60 years since we graduated. I worked as a nurse in ICU at Lakeview for 6 years and then worked as a part-time clinical instructor with the L.P.N. program for 5 years. Following that, I worked as a school nurse for Bismarck school district for 28 years before retiring. Now it has been 21 years since I worked as a nurse and I am feeling old but blessed to be up and about. I enjoyed my nursing career! Wishing all nurses well!

We all enjoy the Class of '65 lunches but we should get together more often than once a year. The years are going by much too quickly.

Sharon “Shari” Wilson Taylor – 2968 E. 1400 N. Rd., Windsor, IL 61957 – 217-254-2135
cell – sharibaby6@gmail.com

I continue to miss our alumni luncheons. Always good to see old friends. You may know that our class of 1965 continues to meet for lunch a couple times a year. We can never get all together but a core group – about 10-15 get a fun lunch and exchange of life events. Always a great time. The yearly letter you send out is always anticipated and read with pride. Thank you!

Retired, enjoying family, friends, gardening and quilting. My mother will be 99 in June. I spend a lot of time attending to her needs and business. It's a totally different role as a caregiver when it's your family. I know many of you can relate. Two of our six grandchildren are married and another will be married in December. Two are college students and youngest will be a senior in high school. We are also blessed with two great grandchildren – 2 little boys, ages 3 and 1! We belong to St. James UMC in Danville. Class of 1970, if you all remember, that is where our graduation was held; so almost every Sunday I remember and reflect on that day! Everyone take care and God bless!

Retired from the hospital in Danville – 2009 and officially in 2012, due to joint and spinal issues. I have gradually become more home bound. But I'm still breathing – It's a good day! I have enjoyed 1970's class gatherings in summertime as people are near. Each time we gather together it seems like the years just disappear and we are back at the dorm getting into trouble. Music has always seemed to play a part of our lives – getting on the bus and suddenly we are singing together. Some of us do make a joyful noise when our mouths open. Whenever I hear a tune from our era I think of the friendship and support over the years that follow. We are an extended family in many ways and together we seem to not notice the years apart. I always thought we'd still be on the roll but geared with roller skates or motorized wheelchairs; still answering the buzzing lights. I still remember the wisdom that Minnie Haun gave us when she said to never be afraid to be close to your patient and their needs because you spread love like manure and it will always come back to you – and so true ... I have seen the results of this philosophy play out in my life and the caregivers we all were. Nursing was never a career but a vocation. Healing of laying on of hands. Remember how part of "p.m. care" was a clean draw sheet and an offer of a back rub to those we cared for that day?! I wish the best for each new grad and the fortitude to be there for those placed in your care; and never regret the time you spend on them – even if overtime is frowned on. If you stay and hold someone's hand, your strength is added to theirs for a little while.

Mary Lee Key Mayfield - 1003 Hillside Drive, Danville, IL. 61832 – 217-260-1845 cell

mary41548@comcast.net

I have been retired 22 years already! I'm currently staying busy chaperoning ultrasounds with Woman's Care Clinic (I have seen two sets of twins. It was fun to watch the 18-week twins play in utero.), I participate on local board of Danville Christian Women's connection, monthly lunches with my high school classmates and with the Lake View Alumni Association (currently typing this newsletter. If you find any mistakes extend mercy!). To that I have added Nurse Honor Guard with two different associations (East Central IL NHG thru Carle Clinic and Illiana NHG thru the VA). If you know of a nurse who dies (any level of nursing) make the family aware that a nurse honor guard service is available upon request – no charge.

I've had a very rewarding nursing career. Twenty years were spent as an operating room nurse with the last four being as the manager of the operating room and surgical services. I am a CNOR (Certified Nurse of the Operating Room) since 1984 or so. I finished my nursing career as a CRNA (Certified Registered Nurse Anesthetist) with an MSNA (Master of Science in Nurse Anesthesia) for the past 26 years. I worked at several hospitals as an independent contractor and finished my career at my local hospital. Thanks so much for your continued dedication to the nursing profession. Sincerely, Jenni Lewis CRNA, MSN

Our youngest daughter, Julie, is getting married late this summer in Portland, OR where she is a SLP at a school. (Mary here – I googled SLP – It's a speech language therapist for those of us who didn't know.) We look forward to having our family together for her wedding. Our oldest daughter's family lives in Florida and we enjoy visits there several times a year. Her children are 11, 9, 7, and 4 years old. Living in Danville, we are blessed to have our son's family with our granddaughters ages 10 & 5. We are very proud of our daughter-in-law. She graduated with her Advanced Practice RN Degree a year ago and is a Nurse Practitioner in the Carle Ortho Dept.

Congratulations to the Class of 1975 on their 50-year pin luncheon. We will miss attending your luncheon! Our Class of 1973 has been enjoying lunches together several times a year since receiving our 50-year pin, two years ago.

I officially retired in 2025 after 50 years of nursing and the last 25 as a family and psychiatric nurse practitioner. I continue to provide care to the indigent population. I volunteer at clinics around Indianapolis with a focus on those with mental health and drug addiction; in my community there is such a need.

My son, Joshua, is an attorney who works with the aerospace defense contractors around the United States. My two grandchildren, Gabriel and Elijah, made their first communion and are excelling in academics with an interest in mathematics and science. They are in seasonal extracurricular activities year-round.

I am looking forward to the 50-year reunion and wish the Class of '75 the best.

Debra G. Armantrout Howser – 877 S.E. Y Hwy, Knob Noster, MO. 65336 – 660-441-2762 cell - dghowser@yahoo.com –

Looking forward to seeing Class of 1975 in June! I retired in 2012 from Bothwell Regional Health Center located in Sedalia, MO, after 30+ years. The last 14-15 years I served as Vice President and Chief Nursing Officer. During my career I worked a few years in the O.R., several in Critical Care, supervision and administration. Working in Illinois, North Dakota, California and Missouri during my husband's Air Force Career. We settled back in Missouri when he retired in 1991. I finished my BSN and a few years later completed my MBA degree. Although I maintain my active license in nursing, most of my days are full running our 2 granddaughters to music lessons, 4-H, ball games and practice. Also mowing, flowers and pool. My 3 children, Joe, Danielle and Jennifer all live close so I get to enjoy them and their families. Joe operates big construction cranes; Danielle is an RN, and Jennifer is a detective and does investigations for prosecuting attorney. She also serves as assistant to the coroner. So, as you can see, planning holiday meals is tricky with a nurse and someone in law enforcement! See you in June!

How I started my career as a clinical nurse and where I found my passion for many years all the way to retirement: A few of you may remember that I went right out of my nursing school into being an Emergency Room Nurse. I advanced through many small and large ERs over the years. I later moved into Educator, Critical Care CCRN and helped deploy our newest Clinical Computer System. I became an expert user/teacher for the Clinical System. I also became a critic to the IT team because they kept telling me what the system couldn't do. Ultimately nursing leadership put me on every IT committee as the nursing representative. I got my Master's Degree in Nursing and was hired to be a director over clinical IT at the corporate office. My passion was to make clinical IT better and easier for nurses, providers and other clinicians. In 2005 I moved to Florida and took a position of Chief Clinical Information Officer and V.P. over all clinical IT. I created our first Clinical Informatics team and did as much as I could with a great team. I retired July 14, 2023

During my career I worked Labor & Delivery, NICU, School Nurse Supervisor for M.S.D.S. Warren Twps. (served the severe and profound handicap students). I was Instructor for Senior Pre-Nursing students; adjunct Instructor for Ivy Tech (instructor for Medical Law and Ethics and Pre-nursing students); adjunct instructor for Vincennes University (instructor for Medical Terminology); Eastridge Support Staff Member of the year; Indy Star's "Salute to Nurses" nominee; Selected one of 2 from IN by the IDOE to represent IN at the NCHSE Institute of Education Excellence in Omaha, Nebraska; awarded most Influential Educator from Independent Colleges of IN 2023-2024; book reviewer for Goodheart-Willcox publisher.

The nursing career has served me well. Lakeview provided a great education and wonderful experiences for me. I was so blessed spring boarding my nursing education at Lakeview!

I've been retired for a year now and enjoying my free time. Gary and I have 5 grandchildren; one graduated from Purdue, one from Ball State and one will graduate from ISU in the Spring of 2026, one currently in Jr. High and one 6th grader. Looking forward to seeing everyone at our 50th reunion!!!

I have worked in oncology since the 80's – Infusion Nurse, administrator, then as N.P. Currently working part time at Franciscan East in Lafayette, IN. From momma of Jamie, Jenni and Schuyler, nana to 7 grandkids and one great grand. Married to Dave and we hope to travel and enjoy "the golden years." Thank you LVHSON for my nursing education!

Mary Elizabeth "Liz" Balsis was my roommate at Lake View School of Nursing. She was a bridesmaid in my wedding in 1978. We graduated from Lake View in 1977. She worked 40 years in her hometown hospital, Paris Community Hospital. She was 71 years old and passed April 11, 2025

I graduated from Lake View in May 1977. I worked 44 years at Sarah Bush Lincoln Health Center in Mattoon, IL. I primarily worked labor and delivery. I married David Sieben in 1978. We reside in rural Charleston and are enjoying retirement. We have 5 adult children and 7 grandchildren.

I continue to work at OSF SHMC as the Hospitalist Coordinator, and I teach EPIC to
providers. 36 years at the hospital in July. We are blessed with 2 daughters: both
married and 3 grandchildren with a 4th due in mid-May. They all live nearby. It is
always enjoyable to see Nursing Students in Clinicals.

I am retired from nursing but continue to maintain an active license. Being retired it is challenging to maintain C.E.U.s to renew license. It would be nice if LCN or the alumni assoc. could provide some C.E.U.s, especially the ones mandated by the state.
